

# THIS IS AMBER

Our name comes from the ancient Amber Road, a trade route connecting the Baltic and Mediterranean Seas. It carried more than just goods; it exchanged ideas, cultures, flavours and stories.

That's exactly what we aim to do at Amber. Our food, design, and philosophy are shaped by travel and tradition of sharing; from our Eastern Mediterranean roots, to our London spirit.

Amber is a place where stories, flavours, and friendships are exchanged every day. Whoever you are, wherever you're from, you'll always be welcomed with a seat in Amber, something to share, and a warm, generous spirit.
